Re: Invitation to April 2, 2015 Planning Board Meeting

Dear Commission Members:

At the last Planning Board meeting a discussion was had about improving site plan application and review criteria in the *Town of Litchfield Land Use Ordinance* with regard to maintaining the “rural character” of Litchfield.

Part of that discussion involved how to add architectural criteria to the ordinance so as to ensure that new commercial projects include the requirement of maintaining the rural character of Litchfield as outlined in the purpose of the ordinance.

The Planning Board has asked me to write and invite all of your members to come to the April Planning Board meeting at 5:30 p.m. on April 2, 2015 at the Town Office and discuss how your organization can be involved in creating architectural standards for the town’s commercial development by soliciting information from the town—perhaps by a survey at the upcoming June 2015 town meeting.

The Planning Board looks forward to your participation.

Sincerely,

Steve Ochmanski
Code Enforcement Officer
