

Unfortunately due to constantly rising costs of not only insurance but also athletic equipment and other related expenses it is necessary for our league to have additional income. Therefore we are offering everyone a choice in how to raise these funds. Below are two options for you as a parent to choose from on behalf of your family. Please understand that you will be held responsible for following through with your choice.

PLEASE READ AND CHECK WHICH OPTION YOU AGREE WITH:

_____ *I agree to have my child participate in this season's fundraiser and earn an additional \$35⁰⁰ for the league.*

_____ *I agree to pay an additional \$35⁰⁰ (per family) in addition to the original registration fee with the understanding that my child (or children) will not be required to participate in this season's fundraising efforts.*

Parents Signature: _____

By signing this I agree that if I choose the option of my child participating in the fundraiser and then I do not follow through with that option my child will not be permitted to finish out this season or be allowed to sign up for any additional sports through the recreational department until this issue is resolved.

I have read the Litchfield Recreation Philosophy that is provided on the Town's website and I agree to abide by all of the rules of this league.

Registration Policy

The Recreation Department will hold at least 3 separate registration dates for all sports. Late registrations after these dates will only be accepted at the discretion of the Recreation Director. If you cannot make one of the registration dates you need to notify Tiffany Caton, Recreation Director at 268-4721 before the last registration date for that sports season to make other arrangements.

All registration fee's are due at the time of registration and are non-refundable. The only exception to this rule will be if the parent provides a doctor's note stating that the child cannot participate in the sport due to illness or injury.

We DO NOT guarantee any children will be placed together on teams, however if a written request is noted on the registration form we will try to honor it. This is not a guarantee that it will happen though!

We DO NOT guarantee any child to be placed with a specific coach. Again if a written request is made at the time of registration we will make an effort to honor it but again this is not guaranteed!
