GENERAL INSTRUCTIONS

FILING SCHEDULE – Owners must submit a signed schedule on or before April 1 of the year in which classification is requested. The schedule must list the acreage of Open Space land classification as well as the non-Open Space land classification. Owner must exclude from classification as Open Space land any non-conforming use area(s) equal to the minimum lot size, setback and frontage requirements applicable to the location.

WHERE TO FILE – Filing is to be with the municipal assessors in the case of land located in municipalities, or with the State Tax Assessor when the land is in the Unorganized Territory.

SEPARATE SCHEDULES – A separate schedule must be filed for each separate parcel. A separate parcel is an area enclosed within a contiguous, uninterrupted boundary, whether originally acquired in one or more deeds. If a parcel is located in more than one municipality or township, a separate schedule must be filed for each municipality or township covering the portion of the parcel located in that municipality or township.

INCLUSION OF MAP – The schedule must be accompanied by a map of the parcel (sketched or drafted). Map must show the entire parcel including classified Open Space land and all other land not classified. Also, indicate any adjacent areas which may help qualify your land.

LINE 3 – Indicate the municipality or township as well as the county in which the Open Space Land Parcel is located.

LINE 4 – The preferable identification of land would be the description under which the property is carried in the assessment records or on the most recent tax bill. LINE 5 – The statutory definition of Open Space is as follows: “Open Space land” means any area of land, including state wildlife and management areas, sanctuaries and preserves designated in Title 12, the preservation or restriction of the use of which provides a public benefit in any of the following areas: Conserving scenic resources; Enhancing public recreation opportunities; Promoting game management; or Preserving wildlife or wildlife habitat. Check box or boxes representing public benefit applicable to this parcel. List all factors which support your public benefit claim. NOTE: See Bulletin No. 21 for factors to be considered to determine qualification. Additional information may be attached.

LINE 6A – Indicate the Total Area of Parcel and indicate if all, or only a portion, of the land in the parcel is to be classified as Open Space.

LINE 6B 1 – Check if any area is used for a camp or house lot, is substantially developed or reserved for development. Indicate total acreage used for non-Open Space improvements.
