## Historical Society Of Litchfield Trivia Quiz

**July question:** What "hash" was commonly made in Litchfield from the remnants of a "boiled dinner"? **June question:** The 19th century temperance movement caused serious financial damage to what Litchfield agricultural business. **answer:** The apple growing and cider making business. To read more about the history of Litchfield go to [WWW.HistoricalSocietyofLitchfieldMaine.org](http://WWW.HistoricalSocietyofLitchfieldMaine.org)

## Woodbury Pond Park

The park opened June 18th and will welcome everyone daily from 10AM - 8PM, weather permitting. We are looking to form a group of park users and residents that would be interested in helping maintain the park yearly and organize community events. Wouldn't it be great to have a big community cookout each year to start the season? Maybe invite the fire department to show off the trucks to our kids or how about a kids event for all our families and surrounding towns? There are many ideas but it requires resident involvement! Please contact [woodburypondpark@gmail.com](mailto:woodburypondpark@gmail.com) to join Friends of Woodbury Pond Park or sign up at the park and please follow us on Facebook at <https://www.facebook.com/FriendsOfWoodburyPondPark/>

## Summer Nature Camp

Come explore the outdoors with five full days of **FUN** for children entering grades 4-6! Two 1-week sessions – July 25<sup>th</sup>-29<sup>th</sup>, 2022 and August 8<sup>th</sup>-12<sup>th</sup> are being held at the YMCA Camp of Maine on Cobbossee Lake in East Winthrop, ME. Campers will enhance their relationship with the natural world as they explore, observe and experience the nearby ponds, forests and fields (hiking, fishing, swimming, canoeing & kayaking); record observations in their own nature journal; learn basic wilderness skills; and participate in ecology skits, crafts and games. Campers will also be treated to a special session of "Tadpole Patrol" aboard the Friends 22' pontoon boat, the OTTER II. Camp runs daily from 8:30am-4:30 pm. Cost for each 5-day camp session is \$250/pp, and includes lunch and afternoon snack. Early registration is recommended, as space is extremely limited! The Friends follow the guidelines of the Maine CDC and the YMCA Camp of Maine regarding Covid-19 safety. Please visit the Friends at [www.watershedfriends.com](http://www.watershedfriends.com) for up to date information. For more information, please contact Cami Wilbert (Education & Outreach Director) at 395-5239 or [cami@watershedfriends.com](mailto:cami@watershedfriends.com).

Donations always appreciated, or work on the 1000-piece puzzle already set up on the table.

### Transfer Station

We are glad that warmer weather is here at the Transfer Station. Many THANKS to the residents of Litchfield for their continued support of the Transfer Station at the Town Meeting. We will strive to show our appreciation. Things are progressing here. The cardboard seems to be lessening in the amount we are taking. Most residents are aware of what containers to put their recyclables in, but we have a few that make our jobs interesting. We get paper in the plastics, tin cans in the glass, paper in the metal, and black plastic bags of leaves left at the leaf pile. It makes for constant vigilance on our part. We are starting to prepare for the cement work to be done so we can move the paper, tin, and glass containers over next to the cardboard containers. This will make for residents safety when they use the facility. We won't have to worry about people crossing in front of vehicles entering or leaving the facility. We are still open on Sundays from 8 to 4. The Swap Shop is going strong. We have had over 1500 item taken since it opened. Again thank you for your support.

### LITCHFIELD ACADEMY THRIFT SHOP

Great bargains continue to be offered at Buck A Bag prices. We really want to move out wonderful clothing to make room for more donations arriving weekly! Kid clothes are now grouped by size on girls and boys racks to facilitate your shopping experience. Warm weather requires cool shorts and tops. We've got 'em!

### LITCHFIELD FOOD BANK

Off to a slow start on the new Food Bank as contractors are booked solid for months! It really IS going to happen, we just know it's not as quickly as we were hoping. We will use the time for additional fund raising. (P O Box 36, Litchfield, put Bldg Fund on memo line, please) Coming soon, a Maine Bicentennial themed quilted wall hanging/lap robe raffle to benefit the Building Fund. On another note, the local chickens have been working overtime to produce fresh eggs for us. Great job, ladies! Gardens are beginning and some fresh greens have reached us as well as beautiful rhubarb. Thank you, gardeners! Also a great job. We so appreciate the donations from local locations!

### Gardiner Public Library

Did you know Litchfield residents may use the Gardiner library for free. Please go to the library to sign up for a library card and ask about the digital library you can have access to. Check out the Summer Reading Program and the Museum and State Park passes that are available to use. Please phone 582-3312—or go online at <https://gardinerpubliclibrary.org> or Facebook at Gardiner Public Library.

### Town Clerk's Corner

**The Town Office** will close at 3 pm on Thursday, June 30th to complete end-of-fiscal year database closeout.

**Town Office Hours Change**—Beginning 11 July, the Town Office hours of operation will be Monday – Thursday from 8:30 am to 6 pm. Most customers will not notice a change, but the office will no longer be open until 7 pm on Mondays. We apologize to those this may inconvenience. This change is a cost reduction measure due to low customer traffic between 6 and 7 pm, and in keeping with the reality that most transactions are now available online.

**Woodbury Pond Park** is now open daily through **Labor Day**, weather permitting, and it looks great! Come out and enjoy the park!

**July Holiday**—The Town Office will be closed on Monday, July 4th in observance of the Independence Day holiday.

## The Litchfield Sodalite

### Conservation Commission

We are lucky to live in a state where water is plentiful and clean. Perhaps, as a result, we take it for granted. Did you know there was once a time when the Kennebec and Androscoggin rivers were so polluted you could not enter the water? Please take these easy steps to ensure our water continues to be safe, healthy, and beautiful for many years to come. 1. Keep your septic system in good working order and have it pumped every 3-5 years. 2. Never use soap or shampoo in a lake or pond. These add phosphorous to the water, which can lead to aggressive plant growth and algae blooms. Also, if you live on waterfront property, consider using a laundry detergent that is phosphate-free. 3. Clean up your dog poo. It can contain E. Coli which is dangerous to people and other animals if it makes its way into a water supply. 4. Please do not flush any medications down the sink or toilet because it ends up in our water. There are many police stations that have bins to anonymously drop your unused meds even aspirin and vitamins. 5. Do not put paint, oil, or harsh chemicals in your sink – contact the Litchfield Transfer Station to find out how to properly dispose of these items. 6. Use a car wash—the soap and grease from your car does not end up in the water supply. 7. Stop applying pesticides and fertilizer on your lawn. The chemicals in these products negatively impact our environment, from our waters to our wildlife.
