CEO/BUILDING & PLUMBING INSPECTOR

Applications for Building, Land Use and Plumbing Permits are reminded that no permit will be issued until application is complete and applicable fees are paid.

Building and Land Use Permits

In all cases, applications must be accompanied by site plans showing the existing and proposed features of the property. Setback measurements from all lot lines and water bodies must be on the site plan. A check list is provided on page 3.

Plumbing and Septic Permits

Are required for any new interior plumbing and any new septic. The applicant is the person actually doing the work (or the property owner). **REMEMBER NO BUILDING PERMIT CAN BE ISSUED, WHERE A PLUMBING AND/OR A SEPTIC PERMIT IS REQUIRED, UNTIL THE PLUMBING and/or SEPTIC PERMIT IS ISSUED.**

All plumbing and Septic work must be inspected.

REQUESTS FOR ANY INSPECTION MUST BE 24 HOURS IN ADVANCE

Other Permits

In many cases certain activities require permits from the Planning Board, or need State Permits. These permits can take a long time to obtain and must be obtained before the CEO may issue a building permit

Requests for inspection must be at least 24 hours in advance

No inspection on Friday Saturday or Sunday

Code Enforcement Officer
And Plumbing Inspector:

Steven Ochmanski

Entrance Permits:

Road Commissioner: Larry Nadeau

No Building Permit will be issued until Entrance permits & Plumbing permits have been issued. All plumbing and septic work must be inspected.

The filing of this application and paying of the application fee is not an issuance of a building permit. A building permit is issued only after the Code Enforcement Officer has reviewed a completed application and approved that application.
