## RSU SCHOOL NEWS

If you have a child that will be age 4 by October 15th (for Pre K) or age 5 by October 15 (for Kindergarten) please contact either the Sabattus Primary School (375-4525) or the Libby-Tozier School (268-4137) to get the information to register your child. If your child is currently attending a RSU4 Pre-K program, there is no need to re-register him/her or have him/her screened.

There will be a PTA meeting on Monday, 4/10, at 6:30 p.m. It will be held at Oak Hill Middle School. Oak Hill High School will host an All District Band Concert featuring the bands from grades 5-12. Each group will perform separately and then do one piece together. This will happen on Tuesday, April 11th, at 6:30 p.m.

The Carrie Ricker Drama Club will be doing the play "Peter Pan". Show times are Friday, 4/28 at 7:00 p.m. and Saturday, 4/29 at 2 p.m. The performance will be held in the cafeteria at Carrie Ricker.

## Spring Nature Day Camp with Friends of the Cobbossee Watershed

The Friends of the Cobbossee Watershed's 11th annual Spring Nature Day Camp will be held during April school vacation week at the YMCA Camp of Maine on Cobbossee Lake in East Winthrop.

Two 2-day sessions will be offered: Tuesday and Wednesday - April 18 & 19, 2017 and Thursday and Friday- April 20 & 21, 2017. Both sessions, open to children in grades 3-5, will run from 9 a.m. to 3 p.m. each day, and include a mixture of fun indoor and outdoor activities that focus on the natural world, including geocaching, fishing, hiking and exploring pond, stream and forest habitats.

Early bird registration special of \$80/pp until April 5th! After April 5th, camp registration for each 2-day camp session is \$90/pp and includes the use of all equipment and daily afternoon snack. Limited scholarships are available! Early registration is highly recommended as space is limited Registration forms can be downloaded at [www.watershedfriends.com](http://www.watershedfriends.com)

### Tacoma Lakes Association

As Spring finally approaches, the officers and directors of TLA remain busy. Our new office space is nearly ready for its unveiling, grants are being applied for, and planning is underway for our annual meeting. Officers and directors will be meeting soon, utilizing our new office space for the first time. Once the snow pack melts, TLA will be installing new "Welcome To Tacoma Lakes" signs along route 126, replacing the current ones that have been in place for many years. The new signs will be complete with our enhanced logo, as well as both our website, and Facebook page information. The new signs will offer increased visibility, and an overall fresh look to the area.

Our organization cannot continue to be strong without our valued members. Our annual membership is only \$15, and if you are not already a member, but would like to help insure the future quality of our amazing lakes, membership forms are available on our website at [www.tacomalakes.org](http://www.tacomalakes.org). As always should you have questions or concerns, do not hesitate to reach out via e-mail, [jfadams13@gmail.com](mailto:jfadams13@gmail.com), or by telephone at 268-2070.

### 4H - The Creators

Will be meeting on Sunday, April 2 at 3:00 pm at Libby Tozier School. We will be dyeing t-shirts.

On Wednesday, April 19th we are having a bake sale/info on gardening event at Tractor Supply in Augusta from 9am to 2 pm. Also, help support 4H by buying a Clover.

### Litchfield Academy Thrift Shop

Changeover Nights - April 4 and 5. Volunteers needed and welcome. Get a first look at some great items. Shopping encouraged. Best clothing prices around!

**Road Committee Update -Invasive Plant of the Month:** Autumn Olive / Russian Olive are large woody shrubs with silvery leaves that have escaped from cultivation and are a particular threat to sunny open and semi open areas. They tolerate poor sandy soil conditions. Their nitrogen fixing capabilities can interfere with the nitrogen cycle of native communities that may depend on infertile soils and they can quickly colonize infertile soils, outcompeting native woodies that grow more slowly on those sites. They produce large amounts of fruit which are readily consumed and dispersed by the birds. They re-sprout vigorously after cutting or fire. Over time these colonies can grow thick enough to crowd out native plants. The large masses of shrubs that were removed from the 295 Litchfield Richmond exit recently were Autumn Olive. They can be seen at the new Town park and along many roads in the sandy shoulders.

**Road Committee—(cont'd.)**

**Control** – From Cooperative Extension Bulletin #2525 “The best method is to prevent them from becoming established. Plants should be removed as soon as possible if they are found newly colonizing an area. Small plants and seedlings can be hand pulled, especially when the soil is moist. Herbicide treatment is probably the best method for eradicating larger, well established plants as cutting stimulates sprouting and leads to thicker growth.” NEWS There is a new product for controlling invasives called “Buckthorn Baggie”, named after the invasive mid-size trees Common or Glossy Buckthorn. It is essentially a heavy bag placed over the stump of a cut down woody invasive, depriving it of light, resulting in death of the plant.
