

Litchfield Transfer Station

Effective May 1st 2020

OFFICIAL NOTICE

Due to the current virus situation the Transfer Station is implementing the following precautions:

All persons at the Transfer Station are to maintain six feet social distancing.

Transfer Station staff will wear protective mask and gloves when interacting with the public at the Transfer Station.

Only ten vehicles will be allowed in the Transfer Station at one time. If the attendant has held back traffic please be patient and park across the street as there is ample room.

Transfer Station staff will not be able to assist citizens with unloading items from their vehicles.

Citizens found putting recyclables in the wrong containers will be given a warning. The containers are clearly marked. On the second offense, they will be banned from the facility for thirty days. A third offense will result in a permanent ban from the facility.

Only Transfer Station staff will be allowed in Transfer Station Office.
