

Transfer Station Update

July 11, 2022

- 1) We have issued 2166 vehicle stickers.**
- 2) We have had 3943 items taken from the swap shop since it opened.**
- 3) We tried to do some bush hogging Sunday. We are still having issues with the shear pins. We are going to see if there are some metal pieces in the gearbox. Any help would be greatly appreciated.**
- 4) We had to have a cardboard container emptied this week. We had to have both bulkies emptied this week also. We had to have the paper container emptied and also the metal. We disposed of quite a few refrigerators this week end which accounts for the metal being emptied.**
- 5) We are continuing the weed whacking around the station. We will have to acquire a heavy-duty weed whacker for next year.**
- 6) The American Legion has contacted us about the color we want for the bottle building/swap shop. I told them a "battleship grey" would work. They are looking to donate 2 –3 gallons. It will be a good thing. We will try to paint the swap shop building in the same color scheme.**
- 7) We have a new summer employee. His name is Jim Nault. Justin had over extended himself and needed to take a step back. He is a good employee. He said that he would like to come back next year.**

Transfer Station Update

July 11, 2022

- 8) Thanks to the Public Works for coming down and crushing containers Saturday afternoon.**
- 9) We are starting to get the area prepped for the pads being poured. Many Thanks to Kelley, Larry and Greg for their leadership in this.**

Respectfully Submitted

John A. Upham

Transfer Station Update

July 5 , 2022

- 1) We have issued 2158 vehicle stickers.
- 2) We have had 3454 items taken from the swap shop since it opened.
- 3) This past weekend was slower than the weekend before. Perhaps it was the holiday.
- 4) We had to have only one bulky container emptied this week.
- 5) The Freon has been removed from the air conditioners and refrigerators. We will start disposing of them this week.
- 6) We are continuing the weed whacking around the station.
- 7) The American Legion has contacted us about the color we want for the bottle building/swap shop. They are looking to donate 2 –3 gallons. It will be a good thing. We will try to paint the swap shop building in the same color scheme.
- 8) We have a new summer employee. His name is Jim Nault. Justin had over extended himself and had to take a step back. He was a good employee. He said that he would like to come back next year.
