

Transfer Station Update

August 8 , 2022

- 1) We have issued 2199 vehicle stickers.**
- 2) We have had 4571 items taken from the swap shop since it opened.**
- 3) We had to have both bulkies emptied this week.**
- 4) The cardboard containers did not need to be emptied.**
- 5) It was steady this weekend. It appeared that things are slowing down.**
- 6) The public works have poured two pads. It looks like the middle to the end of August we will be able to move the paper, tin, and glass containers up next to the plastic and cardboard containers.**
- 7) The American Legion brought in 2 gallons of light grey paint and also a quart of darker grey for the trim. We will start painting the bottle barn when it gets cooler.**
- 8) We have been researching bush hogs both for cost and availability. Things are proceeding.**
